## Sunset Bay Community Pier Now Featuring Lights!

In our last newsletter we proudly announced that the Sunset Bay Community Pier had been completed; we are now excited to share with you photos of the lights that have been added. We do have power out to the end of the pier. The main breaker panel is located at the pier entrance and it is energized. Inside on the backside of the security gate is two switches, one on the left turns on the power to the receptacles, security gate light (Is on photocell), and fish cleaning table light that has a light switch and receptacle on the left side of the table. The switch on the right turns on the power to the two 400 watt fishing lights on the T-head.

Below is an evening shot of the T-head and

a daytime shot of the fish cleaning station.

## Celebrations Abound in Rockport!

Rockport is a community that truly embraces a festive spirit. You can participate in a celebration, or festival almost any month of the year. Here are just a few examples for 2011: Rockport Coastal Charm Tour of Homes, April 16<sup>th</sup>-17<sup>th</sup>; Rockport in Bloom, April 18<sup>th</sup>-May 20<sup>th</sup>; Rockport Wine & Food Festival, May 28<sup>th</sup>-29<sup>th</sup>; Rockport Music Festival at Fulton Harbor, June 9<sup>th</sup>-12<sup>th</sup>; Rockport Hummerbird Celebration, September 15<sup>th</sup>-18<sup>th</sup>; Rockport Seafair, October 7<sup>th</sup>-9<sup>th</sup>. For more information on these and other festivals scheduled for 2011, checkout: [www.rockport-fulton.org](http://www.rockport-fulton.org).

## Name that Bird

Have you heard of a Neotropical Cormorant, a White Ibis, a Clapper Rail or Willet or Marbled Godwit? These are just a few of the many varied and unique species of birds that can be sighted in the Rockport/Fulton area. Texas is listed as the state with the most birding hotspots and Aransas County is in the top tier.

*Sunset Bay is so appropriately named. Take a look at this photo taken by Kelly Flanagan, our POA President just a few days ago while he was checking out the lights on our pier.*
