## Sunset Bay Community Pier Now Featuring Benches!

The Sunset Bay Community Pier is one of the most popular highlights in our community and much time and many hours have been spent making our pier a reality. We are very proud to announce that the pier has been completed. The finishing touches have included; water to the fish cleaning station, additional lights and lighting on the walkway, and now we have two benches that have been constructed using treated lumber and permanently installed on the T-head.

Above is picture of the pier sans benches.

benches.

## Annual Meeting; Saturday, August 13, 2011.

We hope you'll make plans to join us on Saturday, August 13, 2011 at the Women's Club of Aransas County, 1104 E. Concho St., Rockport, TX 78382 from 2:00 PM – 4:00 PM for the Property Owners Association of Sunset Bay, Inc., Annual Meeting.

The annual meeting is a great opportunity for property owners to hear about the highlights of the past year, discuss plans for the upcoming year, elect your Board of Directors and become involved in the community.

Our community website; [www.sunsetbaypoa.org](http://www.sunsetbaypoa.org), is also a great way to find out what's been happening in our community and what your Board Members having been doing for you. We encourage you to check out your community website and feel free to contact Board Members with your comments or inquiries.

## Entry Signs Repaired and Repainted

Above is a photo of one of the newly repaired and repainted entry signs.

Time and the elements had taken its toll on our entry signs/monuments. The Board contracted Resendez Services to repaint all four of the entrance monuments. Solar landscaping lights were also installed to illuminate the signs at night.
